Weight Restriction Notice

February 25, 2019

Camborne, ON – Weight Restriction Notice on Township Roads/Streets (Half Load Restrictions)

These restrictions are effective March 1- April 30 each year.

During the spring thaw, most Township roads become too soft to withstand the weight of a fully loaded truck, no matter how many axles. In an effort to reduce damage to the roads during this period, the Township has weight restrictions to half loads (5 tonnes per axle) on **all** Township roads from **March 1st to April 30th**.

Please assist us in reducing costly repairs to our road system by not having heavy deliveries to your property during this time of year.

Council has passed By-law 98-20, in accordance with provisions of the Highway Traffic Act for all highways (roads) under the jurisdiction of the Township of Hamilton.
